

To UMC USA from San Jose International Airport:

The drive from the airport should take about ten minutes. Exit the airport and follow the signs to US-101 North towards San Francisco. After about three miles, take the Lawrence Expressway exit and turn left (going south) onto the North Lawrence Expressway. Turn right onto East Arques Avenue (going east) and then turn right (going north) on Deguigne Drive. The UMC USA offices will be on your left.
